Atlantis Open Gala Report

Firstly, congratulations to all the swimmers who qualified. Thirteen Piranhas competed in a total of 41 events, with really excellent results. The Club is very proud of your efforts; it is a pleasure to be writing a report such as this and to be able to pass on Shan's comments about your excellent poolside manners and team spirit throughout all of the day's events.

Looking at the above results, several statistics are worthy of note:-

Out of the 41 events:-

63% of the times were PBs - a very good percentage

We had swimmers in the top 6 of their age group in 30 events, i.e. a fantastic 73%.

Our swimmers gained "podium" finishes in an outstanding 56% of these events, 11 of these being

Gold medals - Yes, Golds in 27% of the events!!! A spectacular result in its own right, especially considering the number of hours training that our Club has compared with the majority of the other competing clubs

With so many excellent performances, it is difficult to know where to stop with the special mentions!!

Congratulations to Matthew Fendt on improving on his previous Club Record in the 200m IM, by more than 7 seconds

Great swimming by Mitchell Goff - two Gold medals and a "podium" finish in all four of his events

A special mention for IMOGEN HAWKINS who finished in the top 6 in four of her five events; two of which were Gold Medals

Not to be outdone, her sister JOSEPHINE finished in the top 6 in all her 4 events, and improved her previous 200m IM Club Record

TOM KENDRICK and JOSH MILLER each came away with a Gold medal and a Silver medal

More great swimming from ISAAC MILLER - in the top 6 in all five of his events, one of which was a Gold medal

Finally, a special mention for CALANTHA WEEKS for winning 4 gold medals in her four events; and for setting two new Club Records. In addition, Calantha's 50m Fly and 200m IM times were Atlantis Meet Records and her 200m IM is a first ever Piranhas Ladies Platinum Club time.

Our thanks once again to SHAN BUTLER for looking after our team poolside throughout a very long day (13hrs in all); and to her and all our other coaches, who continue to put a great deal of care and effort into training our swimmers - yet again the results are a clear demonstration of the very real success of those efforts

A special thanks also to EMMA MILLER for again taking on the very onerous task of preparing the list of swimmers and processing the official entry forms, coach pass etc.,(and temporarily bankrolling the whole entry to make sure the deadline was met!!)

WELL DONE EVERYONE
