February 2010

Kent County Championships

We have competed in this years Kent County Championships and the results up until last weekend are as follows :-

We still have one more day of competition this Saturday, and I hope our swimmers will keep up the great swims of the last 2 competitions. Where all swimmers swam their best throughout all age groups.

However I am extremely proud d of all our swimmers achievements. Nearly all swam a P/B and we had some great results against all the big teams! A wonderful achievement in all cases. The spirit on poolside must also be commended.

Special mentions must go to Imogene Hawkins who came third in her 100m Individual Medley. A Fantastic achievement. Also to Calantha Weeks in her 50m Backstroke, Calantha came fourth

I have great expectations for next year and hope to see far more of you qualify.
in the distance events next year as well.

We hope to have far more swimmers in the distance events next year as well.

Congratulations to all swimmers who swam and thank you for your commitment. Keep up the hard work in training and you will see huge improvements in the galas.

The results of the gala can be seen over page:-
